

Speaking Up! See Proverbs 31:8,9

A Mountain Top Experience:

Mission Trip 2019

Nurses Jessica and Annasta examined children

Through Turbulent Times, God Kept Us!

Our last newsletter called for prayer for our safety during our July trip to Haiti. The concern was civil protests and violent uprisings. God answered your prayers. We saw none of that. He also protected and brought us through serious thunder storms on the treacherous mountain roads and paths. Thank you and thank God.

Hope for Caribbean Kids Christian School

Nina Meeks and Pastor Yaguel Nerat registered students for their physicals. All records are maintained electronically through a system designed by Nina and Tom Meeks.

Mission Accomplished

Our critical care registered nurse, Jessica Hilton, along with two Haitian nurses, Gernise Telsaint and Annasta Dupras, were successful in treating 398 individuals during our mission trip. They included 298 school age children, 84 adults and 25 babies. Nina Meeks oversaw the intake for school physicals and other nurse visits. The kids were mesmerized by bubble fun. The word of God was preached and 125 Bible tracts in Creole were distributed.

Nine Buckets with water filters will provide clean water for students in their classrooms.

Richard and Iva Presberry Surrounded by Children they Love

All Things Working Together: Romans 8:28 says, "And we know that all things work together for the good of those who love God and are called according to his purpose." Our Board of Directors has approved a plan to provide **greater oversight** and support for our young pastor, Jean Thony Perime. Bi-monthly visits will be made to Marre Blanche to provide training to Pastor Jean Thony and his staff. Pastor Wisny Exima, a seasoned school director, and Jean Desrosiers have agreed to make the visits.

Make a Difference Sponsor a child!

Daily Feeding Program

PRAISE THE LORD! During this school year, 2019-2020, our students will experience their first full year of having a daily meal at their school. Thank you, child sponsors, partners, and everyone who gives to this ministry. We are sleeping a little better at night.

THEY NEED A KITCHEN. WILL YOU HELP?

Like most people in Haiti, the ladies are cooking outside. The food is ready by 10:00 am and the students eat in their classrooms. It will be nice when there is a kitchen to prepare the food and a dining area to eat in.

Please pray with us that 2020 will be the year that Davidson gets the surgery he needs. Thanks!

Save the Date: March 20, 2020
